Charleston County and Fetter Health Care Network Host Upcoming Vaccine Clinics on Johns Island and in North Charleston

Charleston County Government and Fetter Health Care Network will offer the Moderna vaccine at two upcoming clinics. The first, a partnership with the Charleston County Parks and Recreation Commission, will be held at the Johns Island County Park. The second will be at North Charleston Fire Station #2. The Moderna vaccine is available to anyone 18 and older.

To fill out paperwork, please bring:
- Personal Photo Identification
- Insurance Card, if applicable, social security number if no insurance
